Golf has been played over the links at Carnoustie since the 1500's, but the present course came into being in 1850 when it was designed by Alan Robertson of St Andrews and later redesigned by Old Tom Morris. Ranked #32 in the world, it has hosted many memorable Open Championships, the most recent one won in 2018 by Francesco Molinari. It's site of the tragic "les miserables" collapse by Jean Van de Velde.

## FEATURED COURSE

# ROYAL ABERDEEN

Royal Aberdeen is the sixth oldest golf club in the world, set just north of Aberdeen on Scotland's northeast coastline. This stretch of land along the North Sea yields some of Scotland's most dramatic dunesland. The front nine especially is set on the most rugged terrain and is renowned as one of Scotland's finest. The course is considered one of Scotland's most challenging, especially with the high winds that can often be a factor on this side of the island.

## FEATURED COURSE

This Golf Course creates unique challenges demanding the skills of power, placement and fine judgement upon the discerning golfer.

## FEATURED COURSE

# ROYAL DORNOCH

Royal Dornoch is spellbinding and many golfers from all over the world make the pilgrimage to this natural links at some point in their lives. It is often quoted as one of the must-play courses. It's the timeless setting that makes Royal Dornoch such a pleasing place to play golf. It's wild, isolated and, at the same time, absolutely beautiful; there's the blaze of colour in early summer when the gorse is in flower. The pure white sandy beach divides the links from the Dornoch Firth and it all feels very humbling.
