FEATURED COURSE

Cruden Bay

Cruden Bay offers an internationally famous golfing experience – old fashioned links golf at its best – on one of the best links courses in Scotland, and in 2020 was placed at No. 63 in the world by “Golf Magazine”. This Golf Course creates unique challenges demanding the skills of power, placement and fine judgement upon the discerning golfer.

FEATURED COURSE

Royal *Aberdeen*

Royal Aberdeen is the sixth oldest golf club in the world, set just north of Aberdeen on Scotland's northeast coastline. This stretch of land along the North Sea yields some of Scotland's most dramatic dunesland. The front nine especially is set on the most rugged terrain and is renowned as one of Scotland's finest. The course is considered one of Scotland's most challenging, especially with the high winds that can often be a factor on this side of the island.

FEATURED COURSE

Castle *Stuart*

Castle Stuart Golf Links, a championship links course overlooking the Moray Firth and well-known landmarks that are synonymous with Inverness and the Black Isle – Kessock Bridge and Chanonry Lighthouse perhaps the most notable. Castle Stuart can be described as a throwback to golf as it once was – a simple walk through pleasing natural surrounds with some companionable and competitive rules attached to it.

FEATURED COURSE

Nairn Golf *Club*

Ranked number 11 in the list of Top 100 Courses in Scotland 2015 (Golf World Magazine), this Traditional Scottish Golf Links Course was created from a Highland wilderness of gorse and heather, and tests the talents of professional and amateur alike. Founded in 1887, it is now one of the best courses in Scotland, and has hosted a large number of important championships.

FEATURED COURSE

Royal Dornoch

Royal Dornoch is spellbinding and many golfers from all over the world make the pilgrimage to this natural links at some point in their lives. It is often quoted as one of the must-play courses. It's the timeless setting that makes Royal Dornoch such a pleasing place to play golf. It's wild, isolated and, at the same time, absolutely beautiful; there's the blaze of colour in early summer when the gorse is in flower. The pure white sandy beach divides the links from the Dornoch Firth and it all feels very humbling.
