# Brasada *Canyons*

18 distinctive and challenging holes wind through, across and along the canyons of Brasada Ranch, beginning from 3,272' above sea level and climbing to just over 4,000'. Here your ball soars farther, as does your eye, with dramatic, unmatched views of the snowcapped Cascade Mountains from nearly every hole. 18 holes at Brasada Canyons isn't simply a day of golf, it's an experience never to be forgotten.

## FEATURED COURSE

# Tetherow Golf *Club*

Created by the same course architect that designed Bandon Dunes, it's consistently been named one of the top public courses in the country. The links style course features imaginative routing lined by fescue grasses flowing magnificently with the natural terrain. Tetherow offers a diverse mix of holes framed by ragged bunkers, knobs, and is surrounded by panoramic views of Oregon's high desert and Central Cascade Mountains.

## FEATURED COURSE

# *Pronghorn Fazio*

The cascade Mountain range forms the dramatic backcloth to the Pronghorn club and Tom Fazio has used the fascinating, petrified landscape to create a dramatic signature course.

Fazio's course has private status at Pronghorn and the sum total of what is present is exceptional. The grooming is at a very high level and this design is far more than an overdosing of predictable eye candy holes but ones that pack a punch in terms of shot making challenges.

## FEATURED COURSE

# Pronghorn *Nicklaus*

This signature Jack Nicklaus golf course plays firm and fast and accommodates golfers of every skill level. This incredibly scenic property and course provides a minimalist experience with an emphasis on the golf game itself; combining strategy with playability, beautiful transitions and true putting surfaces.
