Founded in 1885 by Mr. John Lumsden, The Royal Dublin Golf Club is steeped in golfing history and presents a stern golfing examination on a truly magnificent links course and is widely accepted as one of the greatest links courses in the world. The links was originally designed by H.S.Colt, the world famous golf architect from Sunningdale.

FEATURED COURSE

Portmarnock

Ranked amongst the top golf courses in the world, Portmarnock is arguably one of the best Championship Courses in Ireland. The course layout has been completely crafted by the natural land and is surrounded by water on three sides. Often at the mercy of the wind, Portmarnock is quite a formidable test for golfers of any skill level, which is why it has become quite the popular location for some of golf's biggest competitions including the Walker Cup, the Irish Open and the Canada Cup.

CITY ACTIVITY

Dublin

A capital city that is as intimate as a village and as friendly as any of the pubs that you will visit. Framed by mountains, centered on a river and edged by a beautiful bay, the city's streets and alleys are filled with vibrant art and historic buildings, fantastic restaurants and traditional pubs. Walk the streets and you'll feel the energy of over 1000 years of history as echoes of the Vikings mix with buzzing boutiques, cobbled streets reverberate with the sound of buskers and 18th century parks host food markets, festivals and many international visitors who love the city.

FEATURED COURSE

K Club - North *Course*

The best way to describe the Arnold Palmer designed Palmer South Course at The K Club is that of an inland links course. However, its true attributes do not stop there. The course has many dramatic landscapes with dune style mounding throughout the Kildare Golf Resort. This assists in making the course into a true Championship Golf Course with many vantage points for spectators to view golf professionals at work.
