FEATURED COURSE

Royal *Mougins*

Accuracy and good course management is required to get around this slightly technically demanding golf course. It is located in a beautiful valley, 'Vallon de l'Oeuf', surrounded by olive groves, ancient stone walls, small lakes and streams, and a round offers a wonderful golf experience in the beautiful Provencal countryside.

CITY ACTIVITY

Nice

The deep blue waters of the Cote d'Azur are the dramatic backdrop for elegant Nice. Breathe in the fresh Mediterranean air as you stroll the famous Promenade des Anglais, be charmed by the quaint streets of Old Town, or get a panoramic view of the whole city from atop Castle Hill. Indulge in classic Provençal dishes and wines in one of the city's intimate cafes or bustling brasseries

CITY ACTIVITY

Monaco

On the Mediterranean sea, bordered by France, Monaco is known as a millionaire's playground — complete with deluxe hotels, top-end restaurants and big casinos. Although best-known for its annual Formula One grand prix which takes place in May, Monaco is not only about splashing cash. With its mild climate and scenic location, this coastal resort is a great place to visit at any time of year.

FEATURED COURSE

Monte Carlo *GC*

The course stands 2700ft above sea level. On one side is a vast stretch of sea, on the other side is a huge panorama of mountains, snow-capped on a bright day. The scale of it all - the sensation that you might tumble straight down into the sea is beyond words; it is one of those places that deserve to be called the roof of the world.

ENJOY YOUR STAY

Terre Blanche

Nestled in the eastern side of Provence, just 45 minutes from Nice, Terre Blanche is set in outstanding preserved nature. Hidden in a lush garden and pine trees, the all-suite and villa resort offer the finest in luxury, serenity, sport, and wellness. The hotel is inspired by Provence's villages and features cottages fully integrated in nature and connected by meandering fragrant paths.

ACTIVITY

Perfume *Making*

Create your own perfume at the family-run La Maison Molinard perfume factory, founded in 1849, making it one of the oldest perfume manufacturers in France.

Learn how Grasse became the world's capital of perfume and discover how the Molinard factory continues the traditions of excellence today.

Explore how perfume is distilled from raw ingredients, and then select one of the notes from a selection of 90 different essences to make your own individual fragrance.

ACTIVITY

Cooking *Class*

Have an aperitif made with local products, then settle into the kitchen to prepare your delicious lunch. Learn alongside an experienced and local chef as you discover new flavors and cooking combinations from the Cote D'Azur

FEATURED COURSE

Terre Blanche - *Le Château*

This course perfectly blends into the landscape and is well-integrated into its breathtaking surroundings. This demanding 7200 yard course, offers an exciting challenge for ambitious golfers. The bunkers, greens, and flag positions give a true taste of the game at a Championship Course. It rewards the precision and length of stroke of the best players. There are many spectacular water hazards.

ACTIVITY

Provence Wine *Path*

The “Côtes de Provence” wines have the innate sophistication of all the best wines: they are subtle enough to accompany the most delicate dishes such as truffle or lobster, yet they are also robust enough to underline the wide range of the Provençal cuisine flavors.
