FEATURED COURSE

Kauri Cliffs

Kauri Cliffs features 18 holes of golf designed by David Harman. The course offers spectacular views of the Pacific Ocean, with several holes situated along the cliffs, providing golfers with a stunning backdrop of the sea. The 7th hole, which is played from a high tee down to a green situated on the edge of a cliff is often cited as one of the most beautiful golf holes in the world.

FEATURED COURSE

Cape *Kidnappers*

Cape Kidnappers was designed by Tom Doak and completed in 2004. The course has stunning sea views, playing high above the ocean atop dramatic cliffs. It is built on a ridge-and-valley landscape and has been hailed as one of the great modern marvels in golf.

FEATURED COURSE

Jack's *Point*

The John Darby designed 18-hole par 72 course provides a range of challenges for both experienced and beginner golfers. The 6,388-meter undulating course follows natural contours and features tussock grasslands, dramatic rocky outcrops and steep bluffs offset by striking alpine and lake views.

FEATURED COURSE

Te Arai Links *South*

Te Arai's South Course land forms vary from heaving sand ridges and meandering valleys to ruffled contours reminiscent of the classic seaside links on which the game began. These contours are the foundation and inspiration for the golf holes of Te Arai Links. The holes are as varied in appearance and character as the land itself.

FEATURED COURSE

Te Arai Links *North*

Starting and finishing on the Ocean, the 18 hole, par 71 golf course has been designed as a traditional walking links golf experience. Designed by Tom Doak, you can expect the North Course near the top of its class. Playing very differently than the South Course, with more inland golf and unique green shapes.
