## FEATURED COURSE

# Peninsula Kingswood – *North*

Playing over sandy and undulating ground, The North Course is a pure Sandbelt experience. Firm and fast with tilted greens, expansive bunkers, wide fairways and roughs that combine sand, native grasses and heathland vegetation that the Sandbelt region is known for.

## FEATURED COURSE

# Victoria Golf *Club*

The Victoria Golf Club is a golf club in Cheltenham, Victoria, Australia. It has hosted many events over the years including the Australian Open in 1961, 1981, and 2002 and the Women's Australian Open in 1974, 1976 and 2014. Only a single road separates Victoria from Royal Melbourne and the public course at Sandringham.

## FEATURED COURSE

# Royal Melbourne – *East*

The East Course starts and finishes on the main site and is highlighted by seven 'home paddock' holes. The bunkering is superb while the greens, though smaller than the West's, are as beautifully constructed and sloped. The short four, long four, and mid four start is brilliant with clear risk and reward options from the tee and birdie to double bogey possibilities.

## FEATURED COURSE

# Royal Melbourne – *West*

Much has been written on the qualities of the West Course but put simply it's a combination of great design and construction. It is full of dramatic undulation, fertile sandy soil and a natural rugged appearance. The greens are brilliant and for decades have consistently provided the finest putting surfaces in Australia.

## FEATURED COURSE

# The Metropolitan *Golf Club*

The Metropolitan Golf Club is one of the renowned sandbelt courses of Melbourne and is widely recognised as one of the finest championship courses in Australia. It is located in Oakleigh South, in the city's southeastern suburbs, approximately 20 minutes drive from the CBD.

## FEATURED COURSE

# Kingston Heath *Golf Club*

Kingston Heath Golf Club is one of the premier golf clubs in Australia, located in Cheltenham, Victoria.
