Castle *Stuart*

Castle Stuart Golf Links, a championship links course overlooking the Moray Firth and well-known landmarks that are synonymous with Inverness and the Black Isle – Kessock Bridge and Chanonry Lighthouse perhaps the most notable. Castle Stuart can be described as a throwback to golf as it once was – a simple walk through pleasing natural surrounds with some companionable and competitive rules attached to it.

FEATURED COURSE

Nairn Golf *Club*

Ranked number 11 in the list of Top 100 Courses in Scotland 2015 (Golf World Magazine), this Traditional Scottish Golf Links Course was created from a Highland wilderness of gorse and heather, and tests the talents of professional and amateur alike. Founded in 1887, it is now one of the best courses in Scotland, and has hosted a large number of important championships.

FEATURED COURSE

Brora Golf *Club*

The green staff work tirelessly to preserve the original design, whilst presenting a course that is regularly acclaimed for its quality. The perfect balance between challenge and fun, and in a breath-taking setting.

ENJOY YOUR STAY

Dornoch Station

The hotel sits in its own grounds with stunning views over the world famous Royal Dornoch Golf Course to the beach and sea beyond. The rooms and suits are an extension of the Highlands they call home. A harmonious palette of earthy, natural colors and patterns blend seamlessly with the classical nautical touches, creating comfortable yet elegant spaces for guests to enjoy.

FEATURED COURSE

Royal Dornoch

Royal Dornoch is spellbinding and many golfers from all over the world make the pilgrimage to this natural links at some point in their lives. It is often quoted as one of the must-play courses. It's the timeless setting that makes Royal Dornoch such a pleasing place to play golf. It's wild, isolated and, at the same time, absolutely beautiful; there's the blaze of colour in early summer when the gorse is in flower. The pure white sandy beach divides the links from the Dornoch Firth and it all feels very humbling.
