SO/ Sotogrande Spa & Golf Resort

Nestled on the western side southern coast of Spain, with the sea to one side and rolling countryside and olive groves to the other, this indulgent five star resort boasts minimalist design with splashes of bright color, as well as sun-soaked and generously-sized guest rooms, this comfortable retreat promises the ultimate Mediterranean experience.

FEATURED COURSE

La Reserva

Sotogrande is the home of legendary golf courses and La Reserva Club continues this historic legacy while creating a contemporary experience that defines the area today. Carved into the hillside with natural vistas in every direction, the 18-hole championship course was designed in 2003 by American architect and course designer Cabell B. Robinson

FEATURED COURSE

Real Club *Sotogrande*

The course has a par of 72 and measures 6.492 metres. It offers long tees, wide fairways and elevated greens delicately moulded and very fast, which embody the biggest difficulty of the course. Of the 100 or so bunkers on the course 69 are placed around the greens and warn the player to have great accuracy when attacking the pins.

FEATURED COURSE

Hacienda *Links*

Hacienda Links showcases the true beauty of the Spanish countryside, with an established reputation as one of Andalucia's premier golf clubs. It offers views of Gibraltar and Africa. The course meanders through mature Spanish countryside, framed perfectly by the Mediterranean sea, to provide a great golfing experience.

FEATURED COURSE

Valderrama

The Par 71 Championship Course measures 6418 meters from the professional tees. The fairways have been described by top pros and leading golf writers as the best in Europe. It is not an easy course - nor was intended to be. Valderrama has risen in the Golf World rankings to become the No.1 golf course in mainland Europe, a position proudly held since 1989.

FEATURED COURSE

Finca Cortesin

Finca Cortesin is globally renowned for providing one of Europe's most unforgettable golf experiences. Rated among Spain's best golf courses, including by the prestigious Golf Digest magazine, the harmonious relationship between the natural Mediterranean landscape and environment on the resort's world-class 18-hole championship course make for a most attractive design, while the excellent weather we enjoy all year round provides the perfect setting for playing golf.
