With its mild climate and scenic location, this coastal resort is a great place to visit at any time of year.

FEATURED COURSE

Monte Carlo *GC*

The course stands 2700ft above sea level. On one side is a vast stretch of sea, on the other side is a huge panorama of mountains, snow-capped on a bright day. The scale of it all - the sensation that you might tumble straight down into the sea is beyond words; it is one of those places that deserve to be called the roof of the world.

FEATURED COURSE

Royal Mougins

Accuracy and good course management is required to get around this slightly technically demanding golf course. It is located in a beautiful valley, 'Vallon de l'Oeuf', surrounded by olive groves, ancient stone walls, small lakes and streams, and a round offers a wonderful golf experience in the beautiful Provencal countryside.

Hidden in a lush garden and pine trees, the all-suite and villa resort offer the finest in luxury, serenity, sport, and wellness. The hotel is inspired by Provence's villages and features cottages fully integrated in nature and connected by meandering fragrant paths.

This unforgettable experience perfectly blends relaxation, adventure, and the glamour of Cannes, visiting the stunning Lérins Islands. Includes lunch and drinks.

ACTIVITY

Provence Wine *Path*

The “Côtes de Provence” wines have the innate sophistication of all the best wines: they are subtle enough to accompany the most delicate dishes such as truffle or lobster, yet they are also robust enough to underline the wide range of the Provençal cuisine flavors. Today you will visit three wineries, stopping to enjoy lunch in a local village.
